

# The Ice Pick

Life insurance salesman salesman Darren Crawford is in uncharted waters. His wife, Ann, the loving mother of his two young children, has been sent to the Rockville, Indiana prison for driving while intoxicated and killing a high school girl. Rumors are flying that his wife is having an affair with a female inmate, but the only witnesses are other prisoners, who may or may not be telling the truth. In desperation Darren turns to a beautiful lesbian coworker, Louise, for advice and companionship. Is Ann a lesbian? Was she driving the car that killed the girl? Will Darren ever discover the truth, or will his previously comfortable existence be swallowed up by a dark trail of lies, corruption, and betrayal? And if he does learn the truth, can he deal with it?
