

Weskers Comedies (Oberon Modern Playwrights)

In *The Wedding Feast* an idealistic, altruistic shoe manufacturer arrives at an employees wedding, with disastrous consequences. *One More Ride on the Merry-Go-Round* features a comic plot involving academics who get high on a hash birthday cake, a recalcitrant daughter, and the appearance of an illegitimate son who is a magician. In *Groupie* 61-year-old Mattie Beancourt is shocked to discover her idol, the famous painter Mark Gorman, living alone in near poverty. She is sunny, he is curmudgeonly and the impact of their friendship is startling. Set against a scene of defiant old age, *The Old Ones* examines the eccentric rituals of old age and plays out the conflict between the optimistic and pessimistic spirit.
