

The Last Drum Beat

FBI agents, Philip Anderson and Carolina Valadez, are part of a covert searching for the legendary Chalice of Blood, but they aren't prepared for the horrors and challenges. For 2000 years the rumors about a cup of Jesus Christ's blood has fascinated historians. Now in 2011, the Roman Catholic Church wants that cup found. However, the cursed Fourth Cohort having the chalice has other ideas and murderously fights to keep the cup. Their search plunges them through three countries while uncovering one challenge after another. As the truth about Christ's blood rises to the surface, the ruthless clan responsible for the chalice of blood increases their murderous events. Herman Lloyd Bruebaker lives in Riverside, California where he continues to write novels. His nearly 10 year service with the United States Navy, during the Vietnam era, provides background for several of his books. His novels plotted with either science fiction or supernatural themes have earned him a wide readership. TABLE OF DARKNESS, scheduled for release in 2011, will again take his readers into a science fiction realm.
