

There is Life Beyond the Grave! - I Shall Not Die But Live

There is Life Beyond the Grave!-I Shall Not Die But Live is a book of compelling testimonies by Crystal Dixon. However, the title is taken from the Bible at Psalms 118:17 which says: I will not die but live, and will proclaim what the Lord has done. Crystal shares intimate testimonies that prove the miraculous power and hand of God in her life. Crystal Dixon dedicates this book to her 3 children: Joshua, India, and Linda, who will always be special to her in her heart. She also dedicates this book to Yvonne Alston, her spiritual mother of many years, for being a prayer partner, friend, and inspiration. Like a church song says, I said I wasnt gonna tell nobody but I couldnt keep it to myself, this book is to empower and encourage. If one person reads this book and believes in Christ and that God loves them, then that is what the book is all about. Crystal Dixon want to touch a life the way God touched her. The book is to give God the glory and honor.
