

The Lords Share

Diamonds! Diamonds! The cry heard around the world that changed the destiny of Dallas Warbuck, the most famed bounty hunter of all time. 1906, Southern Arkansas. A small wagon train of God fearing dirt farmers on their way to California in search of homestead land are stranded in the midst of a tumultuous diamond rush. A blossoming romance developed when Warbuck met farmer Wills daughter. The situation that evolved between a love smitten bounty hunter and two cowardly outlaws created a chain of hilarious events while the discovery site became besieged with greed, thievery, claim jumping, robbery, seduction, double-crossing and skullduggery.
