

Zodiac Beach (Adventures of Crew 598) (Volume 1)

What does a guy do when school, sports, and video games no longer quench his thirst for excitement? Eight high school guys, known as Crew 598, set off on a weekend adventure with their dads to explore the rugged Pacific Northwest coastline. Although they're prepared for challenging conditions, camping and adventure, are they ready for an extraordinary test of their endurance and commitment? When these ordinary teens intercept a distress call from a nearby vessel, they must decide whether or not to take serious risks that might forever change them. *Zodiac Beach* is the first installment in the *Adventures of Crew 598*. Follow this group of teens on intense seasonal expeditions throughout the United States as they navigate the excitement and challenges of the outdoors and adolescence. Escape your ordinary routine and become part of Crew 598! *Zodiac Beach* is brought to life by more than 20 pen & ink illustrations classically designed by Richard Cassidy.
