

Do You Feel Me?: . . . The Mind Unleashed . . .

THE PAST IS OVER. THE PRESENT IS LIFE. THE FUTURE IS YOURS. SOMETIMES YOU DONT CHOOSE THE BOOK; THE BOOK WILL CHOOSE YOU. Do You Feel Me? is the heartfelt journey of a young blind man (Jonathan) bullied throughout his childhood for being different. The only person that doesnt judge and sees the kindness in Jonathans heart is Andrea-his only friend. She helps him through. As Jonathan gets older, he begins to overcome his past traumas, refusing to let them interfere with his future and blossoms into a highly successful businessman. However, it isnt long before Jonathan once again comes into contact with his childhood bully-but with the roles now reversed with the bully as an employee and Jonathan in control as the boss, how will Jonathan choose to use this power? Will he seek revenge? Or will he continue to be the same kindhearted Jonathan hes always been and leave the bully to his own conscience-because as many people know, sometimes the best revenge-is doing nothing at all. The Mind Unleashed is a collection of numerous stories about different elements of life and the events that occur in society today. The mind has so many thoughts running through it at all times, and its not often people put them onto paper, but Rem Conway decided to turn his thoughts into stories. With struggle, spirituality, positivity, and inspiration, it is a sure thing that there is a story in The Mind Unleashed for everyone
