

The Pocket Budget Bible: 10 Commandments of Managing Your Money

Want to know the REAL secret to being wealthy? Budget your money and get out of debt! ...yes, thats right. Just take a look at todays prominent wealthy individuals like Warren Buffett who goes straight for the bargain prices when spending money on everyday items. When it comes down to it, its not how much money you make but rather how much you can save versus spending. Today, the average person has some form of debt whether its a mortgage, credit card, student loan or other unwanted weight on their backs. Hi, Im David Knoxworth. Ever since my wife and I discovered the secret to getting out of debt and living the life of our dreams Ive dedicated my time to learning the art of personal money management and sharing that knowledge to help others achieve their personal financial success. This book isnt a get rich quick scheme or investment strategy guide. It is a well-known secret that many people do not follow to gain real wealth without hitting the jackpot. You will learn 10 no-nonsense strategies (the 10 Commandments of Managing Your Money) that have helped many people gain control of their cash and start living life with a purpose. So grab a copy...And Get back on track today!
