

## The Power of The Blue Medallion

This Captivating novel follows the wild adventures of three charismatic young aliens from the distant planet Hebutar, and their companion on Earth. Zytor, the son of the ruler of Hebutar, is determined to stop a group of terrorists from causing chaos in the United States. Against his fathers wishes, Zytor travels to Earth and meets a young girl, Tandy, whose father was killed by terrorists. Zytors sister Phelena, a Captain in the Hebutarian Military and a fellow soldier, are dispatched by her father to bring Zytor back to Hebutar before he mingles into the affairs of Planet Earth. While tracking down the terrorist, Zytor gets his medallion stolen (a powerful weapon), forcing him to team up with his sister and devise plans to retrieve the medallion, and help authorities stop the evil terrorists from executing a terrible attack in Washington D.C.
