

Secret Enemies: Battle For The Galactic Arm (Concourse Series Book 1)

WHAT WOULD YOU DO? IF YOUR WORLD WAS A HUGE SPACESHIP, 230 YEARS OLD AND FALLING APART, WOULD YOU RISK THE LIVES OF MILLIONS IN ORDER TO SAVE IT? *** IF YOU WERE THE LEADER OF A FEW HUMAN-INHABITED PLANETS, SURROUNDED BY HOSTILE ALIEN SPECIES, WHAT SACRIFICES WOULD YOU MAKE TO PROTECT THOSE WORLDS? WHO WOULD BE EXPENDABLE? *** WOULD YOU BETRAY THE MOST IMPORTANT PERSON FROM YOUR PAST TO RESCUE THE MOST IMPORTANT PERSON IN YOUR FUTURE? These are just some of the questions answered in the novel SECRET ENEMIES. While it is the story of epic battles and sweeping galactic conflict, it is also the story of a few people. How these people make the decisions they must make is the focus of this fascinating book. In the meantime, galactic armies battle, planets explode, adventures are tackled, and loves are lost and found again -- enough action on every page to keep SECRET ENEMIES in your hands from beginning to end.
