

The Rising of the Phoenix: The Legends of the Ormiri

Kandar and Kiri were born Ormiri: a race of beings who had evolved to possess great mystical powers. When an ancient alien enemy returns to attack their home-worlds, Kandar and Kiri find themselves mixed in a war they do not understand, their destiny compelled by a prophecy long kept secret and faced with a power they still need to master fully. This is the first book of the Legends of the Ormiri.
