

519 Squad: Five Stories

Is it too much to ask just to play a few games of Battlefield with your buddies? It seems so, as the squad faces off with zombies, robots, a demonic blood drinker, Sasquatches, love, poor planning, keeping the girls away from a mans weekend and of course Satan himself. This is the complete five story series of Durhams finest; the 519 Squad in a comedic, horrific and not so scientific collection.
