

## The Science of Getting Rich

This edition is cleanly formatted for easy reading. 12 point Times Roman, 1.25 spacing. The Science of Getting Rich by Wallace D. Wattles was first published in 1910. Wattles died a year later, shortly after the release of this book. Dormant for decades, it was recently rediscovered, helping millions of people achieve their dreams of financial success. It explains how creation, not competition, is the hidden key to wealth attraction. The timeless principles in this book will transform your life and fulfill your dreams of prosperity. Every man or woman who does this will certainly get rich; for the science herein applied is an exact science, and failure is impossible.
