

## The Second Coming

Rose McTaylor was born and raised on the island of Barbados, West Indies. She received her formal education at the University of the West Indies where she gained a Bachelor of Arts in Literature, Linguistics and Sociology. My lifelong interest in literature has led to the inspiration for and creation of two books of poetry: *Nostalgia & Musing about Life and Love* and this volume. As you read, you may find vestiges of your life in the tapestries of the writings.
