

Just A Walk With God

This poetry book was designed with the intent to uplift and encourage your hearts. This book includes poems that deal with mankind's thoughts, struggles and triumphs. The book also entails scriptural references that help encourage mankind into looking to God for total deliverance and freedom in this journey we call life. God can set you free from negative thoughts, fear, and so much more. Just a walk with God represents a journey with the Lord. The title caused me to think about how our lives can be transformed just by walking with God. The metaphorical nature of the book makes it great for self-reflection and for reading to loved ones. Thank you all for your support. God really loves you, and remember, He has a plan for your life!
