

The Theogonic Resurrections: The Theogony Regeneration Chronicle Series

A cult murder at an archaeology site begins to unravel an ominous plot to gather legendary remains. During the investigation, which centers in several Mediterranean countries, a hunt ensues through the mystifying shadows of treachery and death to discover the real objective. In the meantime, the police inspector tries to differentiate science from religion and reality from myth in the clandestine world of primeval beliefs and terrifying paranormal tales. Eventually, the criminal trails lead the inspector and his team deeper into the blurred world of sinister secrets and ancient rituals. Only to be driven onward with an intense resolve to unravel a decades old excavation mystery, and an ultimate fight for survival amid the natural and the supernatural.
