

## Those Unknown

Emotions ooze when we are hurt or happy and they are expressed on paper in words, interwoven as poetry or a story. **THOSE UNKNOWN** is a story of a few good men in uniform and their lives. The book has been extracted from the diary of my dear brother - An Indian Army Officer his rendezvous and tales of army. This book is a gift from an elder brother to him and his camaraderie. A token of love and an expression that we do care and you are not alone in exile.
