

Major Satisfactors = Major Success: A Unique New Way to Look at How We All Spend, Use and Waste Time that Leads to Greater Personal and Professional Success, Fulfillment, and Happiness

Major Satisfactors = Major Success allows readers to make dramatic positive changes in their lives through a common-sense method for reviewing and revising how they use their time on a regular basis. This method explains the four basic ways we use our time, helping each of us make simple yet powerful distinctions in our time use, leading to greater personal success, fulfillment, and happiness. George Beshara, author of the popular Managing My Life: Managing Change and Managing Stress series, had this to say, Randall Dean has simplified time management to some basic and essential concepts which we can all remember and can therefore use. This inspirational book will become a classic in the world of time and life management.
