

The Fangs Of Toronto

In 1915, as a disaffected young Muslim man wandering the streets of Mogadishu, Somalia, Malik Suleiman is seduced by Azizah Alzahrani. The tall and gorgeous, decidedly mysterious Saudi Arabian woman later turns out to be a centuries-old Vampire queen. Azizah subsequently transforms Malik into one of the Undead. A century later, Malik is a Peacekeeper in Toronto, Ontario, tasked with keeping the existence of Vampires secret from the mortal world. Azizah Alzahrani storms into town, and apparently breaks all the rules. The Supreme Council of the Vampire community marks her for death. Malik must deal with her. Azizah is the only woman Malik has ever truly loved. The darkest Champion of Law and Order finds himself truly tempted for the first time. Will Malik do his duty and kill Azizah or follow his heart ?
