

True Blue Cowboy (Mills & Boon American Romance) (The Cash Brothers, Book 5)

He Never Expected To See Her Again! When Mack Cashes mysterious one-night stand shows up at the dude ranch where he works, he is stunned. And just as he suspected during their night together, Beth Richards is no buckle bunny, despite the getup she was wearing. Instead, she's just the kind of woman he's looking for: sexy, sure, but also down-home and whip-smart. Mack's obvious attraction is just the boost Beth was looking for after a hurtful divorce. She loves the way he looks at her and sees her. Except for one thing. He wants a family, and Beth can only disappoint him. She's already failed at love once and she can't go through it again. That's why she has to let Mack go.
