

STOP Crying!: Get Up and Take Action

Facts tell; stories sell. You probably already knew this. What you may not have realized yet is that YOU are creating YOUR story every single day, with every action, with every hesitation, with every success and with every failure. Its what you DO with the stories that matters most. Whether youre in sales, management, education, business, law, or any other field of endeavor, youre a human being, and the book you hold in your hands will help you connect with the struggle and the strife, the trials and the triumphs of the human spirit that refuses to be defeated. The stories youre about to read, from people who were in the lowest of the low, will show you, without a shadow of a doubt, that YOU are a Success Story waiting to happen. Moisses own story of success, going from selling shaved ice on the unforgiving streets of Southern California to a Motivational Speaker, as well as his candid encouragement toward your progress throughout this Workbook for Achievement, will guide to your own Success.
