

## Tyger Valley (German Edition)

Lindie van de Graeff, Teenager eines Weinguts aus dem Tyger Valley im Norden von Kapstadt, muss nach mehreren Schicksalsschlägen ihre südafrikanische Heimat verlassen und ihren deutschen Verwandten nach Kassel folgen. Dort beginnt für sie ein Martyrium, das sie aber durch Einfallsreichtum und Cleverness meistert. Eine deutsche Kommissarin, Sabine Petersen, nimmt sich ihres Schicksals an und beginnt mit der schwierigen Aufklärung ihrer fast ausgeweglosen Situation. Dabei ermittelt sie zunächst in Deutschland, später sogar in Südafrika, wo sie sich erfolgreich durchsetzt und einige Verhaftungen vornehmen lassen kann. Immer wieder wird sie durch überraschende Entwicklungen in ihren Ermittlungen zurückgeworfen, aber durch ihre Hartnäckigkeit und Zähigkeit kommt sie letztendlich zu ihrem Ziel. Am Ende wird in einem dramatischen Finale das gesamte unglaubliche Rätsel dieser südafrikanischen Familie aufgelöst.
