

Ultimate Success Program (Volume 2 - Lessons 11 through 20)

Praise for the Ultimate Success Program - He is the real deal...One of the Best Delivered By One of the Best!...One of the best resources on self development out there...A practitioner, not a theorist...Straight talk you can understand...A Solid Program For Success in Business and Life...His work starts at excellent and goes beyond... The Ultimate Success Program is a step by step personal development series of life lessons that assure success to those that implement them into their lives. In this volume of lessons 11 through 20 you will discover: *

- * How to turn your big dreams into your greatest achievements
- * You have been given a tremendous power, and its your choice to use it, or not, in your quest for success
- * Six easy ways to increase your personal self-esteem - the sixth one may be a big surprise to you
- * How to use what others call failure as your ticket to astounding success
- * The art of attracting success by what you expect - fully apply this secret into your thoughts and experience how quickly your life turns for the better
- * How to develop the courage to conquer your fear of risk and failure once and for all
- * Whats your true motivation?...understand these two underlying components of motivation and nothing will stop you again
- * The difference between goals and plans, and why you need both to succeed
- * How to create enthusiasm at will that carries you and others along your path to success...these three words have an almost magical power to get you moving fast
- * Use this 13-part system to eliminate bad habits so your good traits can flourish - this amazing system was created nearly 250 years ago, but only a few have ever experienced its power

One of the Best Delivered By One of the Best!... I have been a customer, a client, and a student of Marks for many years now. He has always offered up what you should do for your on

and offline businesses. And makes no bones about including what you should not do, as well. I was one of the original privileged to be part of the Ultimate Success Program when Mark taught it for the first time. Every session of the program moves you a bit closer to the mindset you need to have to succeed, not only in business, but also in your life. One of the best resources on self development out there... I took the full Ultimate Success Program when Mark Hendricks originally taught it live, so Ive been through all the lessons, including this one. USP is one of the best resources on self development Ive ever seen. Rather than just try to teach his personal viewpoint as the way (like many self development authors do), Mark has gone back through history to extract teachings from some of the best authors, thinkers, and philosophers who have ever lived and shares those ideas along with his own insights into a program that is easy to follow and understand. I would recommend going through the entire program or any part of it. This book would be a great introduction for those who are not familiar with his work. A practitioner, not a theorist... Mark is a great mentor. Ive been blessed to see him in one of his all-day teaching sessions that keep you on the edge of your seat writing copious notes. Mark is no theorist. Hes a practitioner. Hes a true example of what he teaches. This book is no exception. Thank you, Mark, for sharing this valuable resource with us all. A Solid Program For Success in Business and Life... I have a great respect for Mark, his instruction and coaching. Mark is genuinely concerned for the individual, the life choices one makes along the way and the disciplines one develops to produce consistency. He teaches and demonstrates this in his personal life. Download your copy now.
