

Esperanza (Spanish Edition)

Pedro es un anciano con una extraña historia que contar sobre su vida. Nadie cree al anciano hasta que un misterioso y complejo dibujo aparece sobre el hielo con apariencia a ADN humano en el jardín de la residencia. Una periodista empieza a tomarse en serio el relato de Pedro pero pronto empiezan a exponerse a un peligro desconocido, poderoso y letal. Esta novela es la continuación de Wanik. La historia transcurre en el futuro de Aviles Asturias cuando el calentamiento global ha subido el nivel de las aguas de mar. Wanik y Esperanza son dos historias independientes y complementarias de una trilogía, en Esperanza vemos que ocurre con algunos de los personajes de la primera parte de esta trilogía: Wanik. También veremos los mundos habitados por los Wanik al Ore y su curiosa sociedad. Este es el segundo libro de una trilogía.
