

## Under Offer

The coalition has gone and Britain is in the middle of economic meltdown. Years of mismanagement have left the caretaker Government with nowhere to turn and someones realised that desperate times, call for desperate measures! Simon Reid is an ordinary guy in his mid thirties who unwillingly becomes embroiled in a race to prevent a sinister Government backed plot to carve up and sell Britain to foreign buyers. He embarks on a whirlwind journey that will carry him from his home in Cheshire to the Falkland Islands. If Simon thought that getting to work in Milton Keynes was going to be tough, this trip would blow his mind!
