

Undercover Mission Spies

Due to my fathers new job, Dean and I, two regular thirteen-year-old teenager twins, move to Dashtille to start our new lives. Leaving everything behind, we meet Cassidy, Jake, and Dylan, who have apparently been waiting for our arrival. Through them, we meet Mr. Coronel, gaining the knowledge of the secret agency Undercover Mission Spies (a.k.a. UMS), learning about secret entrances, crazy rides, undercover missions, wacky gadgets, and many mysteries. Solving situational problems during the missions is a real challenge to the team. But as the five of us work together with our special inborn abilities in a united spirit, we make a great team. With the brains, the energy, the skills, and our combined talents, everything works out great as we try to defeat Bane, the escaped prisoner. But will we succeed? What will come out of this? Will this mission change our destinies? Why dont you read and find out? An interesting plot twist!
