

## Voci

Una porta spalancata, un paio di scarpe da tennis azzurre, una ragazza uccisa da venti coltellate. La giornalista Michela Canova parte da questi scarsi elementi per una sua personalissima indagine sull'omicidio. Perché tante donne sono violentate e uccise? Perché, spesso, aprono spontaneamente la porta a chi poi le assale? Solo alla fine queste domande otterranno una (imprevedibile) risposta.
