

Realm of the Bear Volume 2

This brilliant re-telling of the timeless tales of King Arthur and his Knights is a must read. Not only is the text vibrant and fresh, the author breathes new life into the characters and creates a world of harsh, brutal reality and enchanting, mystical wonder. The novel is beautifully detailed, the writing is gritty and lyrical and sexy. And the whole work is exquisitely illustrated with original line drawings. If you have an ounce of romance in you, then you will love this book. It is all here - love, violence, mystery, betrayal and loyalty. Enter the world of King Arthur, Queen Guinevere, Merlin, Lancelot, Morgan Le Fay....good versus evil, light versus darkness. S R Sorel is quite an expert in Arthurian times, and presents the earthy, mythical world of Arthurian Britain, with its Druids and warlocks and warriors with consummate skill and a very deft touch with the added feature of beautifully written and gorgeously illustrated artwork.
