

A New Dish

The poetry in *A New Dish* explores spirituality, relationships, and empowerment with the underlying currents of strength and grace that have become cornerstones of Cherie Burbach's work. *A New Dish* will inspire you while urging you to let go of anger, envy and doubts. The poetry in this volume permeates a simplicity while subtly urging the reader to go forward with determination and achieve the life that is uniquely theirs. The universal themes of faith and self-acceptance are also championed with imagery and beauty of words. Readers will find each poem flow effortlessly to the next, while taking in the growth and maturity of a woman comfortable in her own skin.
