

Weathering the Storm

Autobiographies can be cumbersome. This in a sense is mine. I think in verse and philosophy. After a life of abuse and living through the Rhodesian and Zimbabwean war, I have realised that scars are not always obvious to the naked eye. There is nothing more telling about this author than travelling the paths within, that wind through this book. The poetry and articles written are a reflection of Me, Myself and My Shadows. Poetry was never meant to have hidden meaning, it should come from the heart and conception of the writers, giving insight into the windows of the souls of others. Take a walk with me, share my tears, love and laughter, come and visit my world.
