

Ghost Flight (Ghost Flight 1)

THE BOURNE IDENTITY meets Indiana Jones - a debut thriller to take your breath away. A mother and child savagely abducted from a snow-swept mountainside. A loyal soldier tortured and executed on a remote Scottish moor. A lost warplane discovered in the heart of the Amazon jungle, harbouring a secret of earth-shattering evil. A desperate race to defeat a terrifying conspiracy emanating from the darkest days of Nazi Germany. One thread unites them all. Only one man can unravel it. Will Jaeger. The Hunter. GHOST FLIGHT, the explosive debut from TV presenter and survival expert Bear Grylls, was inspired by the experiences of Bears grandfather, Brigadier Ted Grylls, and his role in a secret task force during World War II.
