

Where Freedom Reigns: Volume One: A Great Thunder From The Mountain

LOVE AND WAR: ANGELS AND DEMONS: BROKEN HEARTS AND BATTLE TANKS This is an heroic American tale of love and war: the love of a father for two sons, a woman for two brothers, and a nation for two freedoms; and the Second Civil War that nearly destroyed them all. Its spellbinding narrative skillfully weaves together the colossal forces of good versus evil, patriotism versus treason, and peacemakers versus demagogues. The story draws upon the Book of Revelation and all who read it will find themselves pondering the presence of angels and demons in their own lives. It is the perfect story for our troubled times.
