

The Whisper

Together since their days in kindergarten, Alex and her six best friends thought they had seen it all...until the night of the meteor shower. That night the close-knit group, along with Alex's brother Chris, experienced something terrible. Something they couldn't explain. They want to believe it was just a nightmare they all had, but slowly they realize that it was much more than just a bad dream. Time is racing against them. If the group doesn't figure out what happened and why, how will they be able to stop the all-too-real nightmare from swallowing them whole? It will take all of their courage, strength and friendship as they face off against the inevitable in the heart-stopping adventure of *The Whisper*.

Author Bio: Author Jeanette Hall was born in West Germany and immigrated to Alberta, Canada while she was in elementary school. Jeanette now lives in Saskatchewan where she works as a Registered Nurse. She is continually inspired by her three children, Alex, Chris and Crystal, who contributed their names and their support to this novel.
