

Whispers In The Wind: Love Letters From My Father

Suffering from fibromyalgia in a broken marriage with three beautiful children I wanted to find true love. One day while in a meeting I began to write. Only to realize they were the words of God answering the call of my heart to him. Today my heart is healed, I suffer from illness no more and the Father has released me from my broken marriage and my guilt of the past. This book is my journey into a relationship with Jesus Christ. Here I found love, intimacy, fulfillment, acceptance, peace and freedom. Here I was given the gift of poetry to guide others along the way. Lastly, I was given the weapon of faith. A formidable weapon, faith can win over any tricks of the enemy. I found faith in God, and now faith in self through him. Know that there is a God, know that you have a Father and savior and his name is Jesus Christ. These letters are from the Father and they are written for you. He wants a relationship with us all. Stop and listen to the whispers in the wind. They speak of love and restoration. They speak to you. Let these words fill you and lead you to peace.
