

White Elephant

Hatred, loathing, fear, sad, love, coherent, incoherent, drugs, images, strange, disturbing, poems, happiness, thoughts, death, violence, stories, babbling, hope, joy, relationships, observations, rants, haikus, depressing, disturbing images; White Elephant. (Over 120 writings). Adult audience intended. Contains four graphic images depicting violence and showing blood and a couple of images of actual blood. With the amount of extensive formatting that was done to this eBook I find that it is comparable to reading the physical copy. Due to the 120+ writings, a table of contents was added to increase functionality and the ability to browse the eBook like you would be able to do with a physical copy. For the eBook publication; select Table of Contents from your e-readers menu but back up from that location to roughly 87% progress. It is there you will find the complete Table of Contents that was manually placed there. From there, please insert a bookmark for easy access to the Table of Contents. If you use the direct Table of Contents it will not contain the complete list--there appears to be a cap on it.
