

## WhiteFire Woman: Dreaming A Map of the Emotions

This is a collection of deeply felt and insightful poetry and thoughts. It is organized into thirteen sections, and reveals a map of emotions. Self-awareness is explored in *In The Mirror and Deeper Seeing*. A glimpse into the pain of an abusive childhood is explored in *Childs Woe*. *The Harsh Rub* gives reactions to basically having a bad day. *Loves Lost* are about the ones that got away, including two selections about loss through death. *Toils Trouble* is some views of the difficulty of the need to work for a living. *The Body Clock* is a poem in this section that I've dedicated to all those who work graveyard shift out of necessity. *Out of Touch* portrays feelings of alienation. Each section has poems and insights that everyone can identify with. When you take a moment to reflect on your own life, you will find a poem or thought offered in this book to help define your feelings. These offerings can be a source of comfort during trying times and a validation of your own experience.
