

# What NOW?: Navigating the Maze of Transition, Trials and Change (Volume 3)

Transition and change are usually very difficult and often painful. Many people have made their worst decisions during moments they were in a crisis. Chris Green presents eight nuggets of wisdom to help guide you successfully through the labyrinth of disappointment, doubt, discouragement, detours and distraction. Dont allow regrets and defeats to keep you running into dead ends. Receive a N.O.W. answer that will bring you out of the maze and set your feet on the path of Gods true purpose for your life. Christopher G. Green and his wife, Carol, have been teaching Nuggets of Wisdom (N.O.W.) since 1992, when they were youth and young adult leaders in an urban church in St. Louis, Missouri.
