

Personal Leadership Style: How to Lead Your Life with Effortless Happiness, Confidence and Purpose

Have you ever found yourself wondering Who am I?. This eternal question has plagued countless women since the beginning of time. With the release of her first solo book, up and coming thought leader Shannon Bush shares with you a unique opportunity to answer that question.

Personal Leadership Style is an opportunity to discover yourself in a truly transformational way. You will be transfixed as Shannon draws on her own Personal Leadership Profile and its empowering natural strengths to support you to find out who you are, once and for all. Including detailed descriptions of 12 Personal Leadership archetypes which you can draw on to define your own Personal Leadership Style, this book is a must read for any woman who wants more out of life.

Personal Leadership Style will shed powerful insights into your natural strengths and how to use them to accelerate your personal effectiveness in all areas of life. Knowing your unique Personal Leadership Style connects you to your true purpose and inspirational potential, your natural strengths, biggest challenges and most importantly it teaches you how to overcome those challenges in a positive way. This book is creative, encouraging, inspirational and a genuine way for you to know yourself intimately so that you can effortlessly lead your life your way.
