

The Wreck of the Grosvenor, an Account of the Mutiny of the Crew, and the Loss of the Ship When, Trying to Make the Bermudas (Classic Reprint)

Excerpt from The Wreck of the Grosvenor, an Account of the Mutiny of the Crew, and the Loss of the Ship When, Trying to Make the Bermudas I was in a proper mood to appreciate this beautiful, tranquil scene. I was leaving England for a long spell; and the sight of this quiet little town of Deal and the grand old Foreland cliffs shutting out the sky, and the pale white shores we had left far astern, went right to my heart. Well, it was just a quiet leave-taking of the Old Country without words or sobs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
