Arthur Gabriel Terrance was named after Arthur Gabriel Christophe. He was the great-grandfather of my mother. There were many signs in his life as a little boy that pointed to the road on which he is currently traveling. One of the signs is music. He has always enjoyed listening to music and dancing as a toddler. Also, his father would make all of the siblings sit down on the sofa as he would read or quote poems that he wrote. That was the beginning of seeds of artistry that would eventually become a major part of his life.
