

Words in Bloom: Soulful Thoughts of One Womans Journey

Amidst the Orchids Ola I stand and view
In awe the flowers across the way,
Wearing between the spray Limbs of green and
brown Leaves flow from the branches,
As the blossoms spread to bare Sweet
fragrance on the wind Colors wind within
the blooms, And share a sweet perfume
To dazzle all my senses Before the flower dies
I stand unable to look beyond The beauty
amidst the orchids It is no secret that the
delicate bouquet Is as fragile as it is fair
I look across the way, And see beyond the
petals and the green Amidst the orchids, I
stand so close and yet so far To view the
petals on display Amidst the orchids I
stand in awe Of the petals, the fragrance,
and the day
