Does my present world suck? Like a gaping chest wound. But its all part of the ride. Theres no sense in crying about it; nobody likes a whiny bank robber. If you like what you read, please buy my books. If I get any poorer Ill be down eating sparrows with The Chinaman.[Jeffrey Frye, Bank Blogger] In 2012, Murder Slim Press received an unsolicited submission called Prison Prose from a notorious bank robber named Jeffrey Frye. What has followed is a long standing correspondance with Frye. . . and then MurderSlim.coms Bloggie-nominated Bank Robbers Blog. Bank Blogger is the first of numerous books that will collect stories unavailable on the Bank Robbers Blog, and provide you with the ultimate introduction to everyones favourite felon. Bank Blogger is a limited edition chapbook of only 200 copies. You snooze, you lose. Its also packed with photos from Jeffs life inside and outside prison, and the various people that have an impact on his world.
