

## United Earth: The Revelation

It is New Years Eve, 2012. A man with a worn deeply lined face and old dark felt hat pauses briefly, peering through a rain-drenched store window at festivities on a television screen. He is late and must hurry off. Mysteries unfold that not only alter the lives of two soldiers in this holiday crowd, but could bring changes so unbelievable and shocking as to alter the course of human affairs forever. A deadly killer pursues these men as they ask, Just how far is too far when it comes to national security and when is the price too high?
