On the thirteenth anniversary of the 9/11 terror attack on the World Trade Center and Pentagon, America is violently assaulted again. Muslim terrorists appear responsible for a deadly blast in San Francisco. After state police uncover weapons and explosives stored in mosques they gather up Muslims throughout California, Arizona, New Mexico, and Texas. Those detainees are eventually expelled into other states and mosques left behind are burned and demolished. Muslims riot and attack police and civilians in Newark, Detroit, Toledo, New York City, and Washington DC. Faced with the realization that Muslim facilities nationwide are being used as the focus points of terrorism, the President of the United States orders the military, Homeland Security, and local police to seize the remaining mosques and to incarcerate or deport all Muslims who are not citizens. When tourist destinations, sporting venues and shopping malls are savagely struck by murderous revolutionaries and Latino separatists seize control of the southwest United States President James Burns orders the nation on Code Red terror alert. The round up of Muslims is expanded to include illegal immigrants, and gangsters with foreign connections. As the country slowly returns to normal another destructive development, the most diabolical, unfolds.
