

## Wrath of the Fallen

My name is Justin. I have murdered children, slaughtered the innocent, and killed my brethren - All in the name of my God. This cost me my life and my soul. Now I seek my salvation. Through these battles for survival I will reclaim my place among the Divine. I am Justin, and I am Fallen. Justin has discovered that being murdered for his sins doesn't mean he's finished paying for them. Once a member of an elite counter-intelligence group Justin was part of the Catholic Church's solution to eliminating the Rosicrucians - an ancient secret society who challenged the power of the Church. After his assassination he finds himself reborn in modern-day New Orleans. Only now he is changed. Now he is a vessel for the dead, to be possessed and used by their spirits for their own purposes.
