

Myths of the Promotion

10 Steps to a Successful Career Your career development has become your own responsibility in this ever-changing talent market. Global corporations no longer provide in-depth career development programs. Instead, they recruit talent from each other. This book will teach you how to build a successful career across multiple companies and industries, achieve your goals and advance your position in this super competitive global talent war. This book will provide you with ten systematic steps extracted from great leaders in the industry and authors real corporate executive experiences. The virtual position concept is original and paradigm changing for professionals to advance their career from individual contributors to mid-level managers and then to executive positions. This book will completely change your mindset and your understanding in career advancement. These ten actionable steps will assist you in refining your career vision, building realistic goals, developing feasible plans and executing them flawlessly. Also discussed is how to create an effective professional brand and network, how to collaborate and influence others as well as how to build and lead a successful team. These ten steps will help you to develop a heightened business understanding and refine your important leadership skills. Highlights from the book are:-- Practical, systematic and easy-to-follow steps for regular people to build an extraordinary career-- Paradigm shift in elevating thinking and daily practice using virtual positions-- Best practices in day-to-day execution that provide shortcuts to accelerate career success-- Career branding methodology-- Business networking and mentoring-- Defining and catching opportunities to realize career goals These steps are practical and useful in your daily work. These steps can put you on a right career path and accelerate your career advancement. This

book is the designated textbook for the 2012 Fall Stanford class and will be the textbook for all future 10 Steps to a Successful Career classes and seminars.
