

Your Elephants Under Threat: How to tap into the transformative power of positive change that eludes you and your business

Are you looking for the fastest, easiest or BEST way to change your life and your business? This self improvement book details Johns journey from lost, alone, with no direction and living someone elses life to drawing upon the transformative power of positive change within him and the others he surrounded himself with. He changed his life, found happiness, has a business that serves him and now with the information, systems and strategies he shares in this self improvement book, you can too.... You will discover: The real reason you cannot change and why no amount of positive thinking will fix it How to overcome the threats in your life keeping you from excelling The three types of people you need in your life to succeed How to tap into the power of the three words that will change your life and business forever The secret to breaking free from the shackles of living someone elses life so you can start living your own How to start accepting failure for what it really is The expect success mentality that allows you the freedom and confidence to do whatever you want The powerful question that if answered openly and honestly will set the stage for you to live your dream life And much more What others are saying about this self improvement book: If youre an entrepreneur whos struggling to adapt to the changing world of business or you need a system for defining and getting exactly what you want in life, then you need this book. -Brian Tracy, Legendary Speaker, Trainer and Author of over 60 Best Selling Books I have to say, I am totally blown away by all of the information in this book. VERY awesome stuff! I am definitely enjoying this book more than most. I dont come across self improvement books that strike me this much very often, so its a wonderful thing! Jennifer-Crystal Johnson, Editor and Author of The Ten Pillars of a Happy Relationship What a fantastic,

straightforward, and honest book backed by a wonderful story of positive change. If you are an ambitious entrepreneur and want to have your own story of personal triumph and business success, read this book! Clate Mask, CEO and Co-Founder of InfusionSoft In order to achieve success in life, you must first expect it, define it, and apply knowledge gained through education and experience. John Mulrys book, Your Elephants Under Threat, is an excellent tool to use on your journey. Tom Hopkins, Tom Hopkins International, Speaker and Author of How to Master the Art of Selling One of the most important concepts that surfaces in his book is summarized in his three words: invest, consume, and act. If ever there was a simple definition of how to succeed, John has nailed it with these words. Moreover, hes living proof that the invest/consume/act model works. -Nick Nanton, CEO of the Dicks + Nanton Celebrity Branding Agency, Emmy Award Winning Director, Producer & Best-Selling Author A must read self improvement and one that I look forward to re visiting over and over. -Kenny Cosgrove, Milk Marketing Please note publication date is 28th Feb 2014 (not 2013 as indicated)
