

## Dorothy Famous and the Art of Motor cycle Maintenance

Life in the Over 60s club is not all it seems. Just because someone might be getting on a bit doesn't mean they should be written off completely. Dorothy Famous, pensioner and widow, decides to keep a diary. What she records may be mundane, but written in Dorothy's style, it is anything but. She shares with us the frustrations of being old and feeling sidelined by society, and recounts the hilarious antics of her friends at the Over 60s who refuse to take life lying down. Kitty, Phillida, George and Freddie, to name but a few of Dorothy's pals, sweep us along in a whirlwind of illicit horticultural activities, militant grey power activism and irritating grown-up children. As for Dorothy, before she knows it, she is a high flyer in politics and living up to her surname in the full glare of the local press. The Over 60s still know how to have a good time and give the next generation a run for their money! They may look 60, but they still feel 16...
