

A Little This n That

This is a book of poems for people of all walks of life, to assist in ministering to individual needs. It doesn't matter where you have been, it's where you are going in abundant life and blessings if you accept the truth. Many have been led astray by the false teachings of many who failed to study the true word of Yahweh. The answers to daily stressors are found within His holy word. This is a word of peace, joy, love and humor fitly spoken from Our Lord and Master of the Universe. He instructs me prophetically to write and I grant His request! I pray that you will find comfort and complete deliverance from the words of The Almighty God, Yahweh and His Son. Yahweh Ben Yahweh!
